## **1. Introduction**

Employees, workers or contractors at one time or another may have concerns about what is happening at their work with Sutton House Academy. Usually these concerns are easily resolved by speaking to their manager without using a formal process. Sutton House Academy has introduced this Whistleblowing Policy and Procedure to enable employees, workers or contractors to raise more serious concerns.

This Whistleblowing Policy cannot be used by employees who have a grievance regarding their own employment, who should use the Grievance processes, or by members of the public, who should follow the Academy Complaints Processes. This can be found via the website.

Sutton House Academy is committed to the highest standards of openness, probity and accountability. In line with that commitment, we encourage employees, workers and contractors with serious concerns about any aspect of the Academies work to come forward and voice their concerns. Sutton House Academy would rather they raised the matter when it is just a concern rather than wait for proof. It is recognised that certain cases will have to proceed on a confidential basis. This Whistleblowing Policy makes it clear that such concerns can be raised without fear of reprisals.

This Whistleblowing Policy is not intended for initial reporting of minor lapses of standards, inaction or incidents. If, however, employees, workers or contractors have something more serious that is troubling them which they have discussed with their manager but feel that they have not been taken seriously, or due to the sensitivity of the matter feel they cannot raise their concerns within their team, then they should use this Whistleblowing Policy.

## **2. Legislative background**

The Public Interest Disclosure Act 1998 protects workers making disclosures about certain matters of concern, where those disclosures are made in accordance with the Act's provisions.

The 1998 Act is incorporated into the Employment Rights Act 1996, which also protects employees who take action over, or raise concerns about health and safety at work.

### **3. Definition**

- Failure to comply with good practice, especially where this endangers children and/or vulnerable adults

- A cover up of, or failure to report, any of the above.

Under the Public Information Disclosure Act 1998 a “protected disclosure” is specified under section 43B. Not all disclosures detailed in this paragraph offer ‘protected disclosure’ under the Act. However, Sutton House Academy undertakes to extend the same protection for all disclosures wherever possible.

### **4. Commitment of Sutton House Academy**

Sutton House Academy is committed to considering the concerns of employees, workers or contractors and will take actions as appropriate in line with the Whistleblowing Procedure attached to this policy.

## 5. Safeguards

### **Harassment or victimisation**

Sutton House Academy recognises that the decision to report a concern can be a difficult one to make, not least because of the fear of reprisal from those responsible for the malpractice. Sutton House Academy will not tolerate harassment or victimisation and will take action to protect employees, workers or contractors when they raise a concern in good faith. Sutton House Academy will treat any harassment or victimisation as a serious disciplinary offence to be dealt with under the Disciplinary Procedure.

This does not mean that if employees are already the subject of disciplinary, redundancy or other Procedures that those Procedures will be halted as a result of their whistleblowing.

### **Confidentiality**

Sutton House Academy recognises that employees, workers or contractors may nonetheless want to raise a concern in confidence under this Whistleblowing Policy. If an employee, worker or contractor asks Sutton House Academy to protect their identity, Sutton House Academy will do its best not to disclose it without their consent. If the situation arises where Sutton House Academy is not able to resolve the concern without revealing the employee, worker or contractors identity (for instance because their evidence is needed in court), we will discuss with them whether and how we can proceed.

### **Anonymous allegations**

This Whistleblowing Policy encourages employees, workers or contractors to put their name to their allegation. Concerns raised anonymously are much less powerful but they will be considered at the discretion of Sutton House Academy.

In exercising the discretion the factors to be taken into account would include:

- The seriousness of the issues raised;
- The credibility of the concern; and
- The likelihood of confirming the allegation.

### **Untrue allegations**

If an employee makes an allegation in good faith but it is not confirmed by the investigation no action will be taken against them. If however, an employee makes a malicious or vexatious allegation, disciplinary action may be taken against them.

## **6. The Monitoring Officer**

The Head of Academy is the Monitoring Officer for Sutton House Academy. The Monitoring Officer has overall responsibility for the maintenance and operation of this Whistleblowing Policy and Procedure.

The Monitoring Officer maintains a record of concerns raised under the Whistleblowing Policy and Procedure and of the outcomes (in a form that does not endanger employee, worker or contractor confidentiality) and will report if necessary to the Governing Body.

The Monitoring Officer will consult with such other Academy employees and governors as he or she considers necessary and may arrange for any investigation to be conducted and dealt with in such manner as he or she decides.

## **Scope of Policy**

- This Whistleblowing Policy applies to all employees, workers and contractors working for PLT Sutton House Academy on Academy property, for example agency workers, builders, drivers etc. to enable them to raise serious concerns.
- This Whistleblowing Policy cannot be used by employees who have a grievance regarding their own employment, who should use the Grievance processes, or by members of the public, who should use Sutton House Academies Complaints processes.
- Community schools will be bound by the principles of this Whistleblowing Policy.
- In educational establishments with fully delegated budgets, it is for the relevant governing body to decide whether or not it is appropriate to apply this Whistleblowing Policy. Where it is decided that it is not appropriate, the governing body is reminded of its obligation as an employer to nevertheless satisfy the requirements of the law and, where appropriate, the requirements of specific conditions of service.

## **Delegation**

- All managers are authorised to discuss and act upon employees concerns about what is happening at work without using the formal process of the Whistleblowing Policy.
- The Monitoring Officer is authorised to act upon serious concerns raised under the Whistleblowing Policy, in accordance with the Whistleblowing Policy and Procedure.
- All concerns raised under this Whistleblowing Policy will be notified to the Monitoring Officer.

# Whistleblowing Procedure

## 1. How to raise a concern

Employees who raise concerns that fall within the scope of other Academy Procedures will not be dealt with under this Whistleblowing Procedure, but will be advised on the appropriate procedure to use. Such employees will still receive protection as detailed in the Whistleblowing Policy.

Employees, workers or contractors should normally raise concerns with their immediate manager, without needing to use the Whistleblowing Policy. This depends, however, on the seriousness and sensitivity of the issues involved and who is thought to be involved in the malpractice.

Where a concern is serious, or where it is a concern about the line manager, or having made a report they believe that their manager has failed to take appropriate action, the employee, worker or contractor should contact one of the following:

- The relevant Head of Section/Department
- The Head of Academy
- The Chair of Governors.

**If the concern involves the Head of Academy, then the Chief Executive Officer of the PLT or Chair of Governors should be the first point of contact.**

**Where the concern relates to a child protection matter: If you do not feel confident to raise this through Sutton House Academy, you must consult the Local Authority Designated Child Protection Officer (LADO): 01702 534539**

Concerns should be raised in writing, clearly marked "Whistleblowing" and placed in an envelope marked "Personal and Confidential". The background and history of the concern (giving names, dates, and place where possible), and the reasons for the concern should be set out.

The earlier employees, workers or contractors express a concern, the easier it is to take action.

Employees may invite a trade union representative or work colleague to raise a matter on their behalf.

## **2. How Sutton House Academy will respond**

Once an employee, worker or contractor has raised their concern under the Whistleblowing Policy with one of the post holders referred to in paragraph 1 above, then the post holder will make initial enquiries to decide if an investigation is appropriate and if so what form the investigation should take.

The employee, worker or contractor will be advised of the following:

- Who is considering the issue;
- How that person can be contacted;
- Whether their further assistance may be needed.

The person responsible for considering the issue will write to the employee, worker or contractor summarising their concern and setting out how Sutton House Academy proposes to handle it, if requested to do so. The employee, worker or contractor will also be requested to state any personal interest they may have in the matter.

The overriding principle which Sutton House Academy will have in mind is the public interest. Concerns or allegations which fall within the scope of specific procedures (for example, child protection or discrimination issues) will normally be referred for consideration under those procedures. The action taken by Sutton House Academy will depend on the nature of the concern and may:

- Be resolved by agreed action without the need for investigation;
- Be investigated internally;
- Be referred to the police;
- Be referred to the external auditor;
- Form the subject of an independent inquiry.

The amount of contact between the employee, worker or contractor and those investigating the concerns will depend on the concerns raised, but Sutton House Academy may need to seek further information from the employee, worker or contractor. Any meetings may be arranged on or off site and an employee may be accompanied by a friend, union or professional body representative.

While the purpose of this Whistleblowing Policy is to enable Sutton House Academy to investigate possible malpractice and take appropriate steps to deal with it, they will provide as much feedback to the employee, worker or contractor as they properly can. If requested, confirmation of the response may be provided in writing. It may not, however, be possible to advise the precise action that will be taken where this would infringe a duty of confidence owed by Sutton House Academy to someone else.

All concerns raised under the Whistleblowing Policy will be notified to the Monitoring Officer who is responsible for this Whistleblowing Policy and maintains a register of all concerns raised and their outcomes.

All concerns of a financial nature will also be notified to the Head of Internal Audit.

### **3. How a concern can be taken further**

The Whistleblowing Policy is intended to provide employees, workers or contractors with the reassurance they may need to raise concerns internally and that they will be satisfied with any action taken. However, if they are not, and feel that it is appropriate to take the matter outside Sutton House Academy or if they feel unable to raise their concerns internally, Sutton House Academy would rather they raised the matter with an appropriate regulator than not at all. The following are possible contact points:-

- Local Council Member.
- The designated independent organisation (independent charity “Public Concern at Work” which provides a confidential helpline on 020 7404 6609).
- The Audit Commission.
- The employee's trade union.

- The Police.
- Relevant professional bodies, regulatory or other organisations. e.g. Commission for Social Care Inspection (Care Services) or NSPCC (Children).

**If employees, workers or contractors take their concerns outside Sutton House Academy they should take care not to disclose any confidential information.**
